Terms and Conditions**Boat Specifications:****Length (excl. Outboard):** 3.8m**Beam (Width):** 1.95m**Draft (Depth):** 0.2m**Sole Surface Area:** 4m²**Construction:** Rotomoulded Polymer**Hull Weight:** 240kg (plus extras)**Structural Hull Warranty:** 3 years

PLEASE NOTE: With the rotomoulding construction method, some low level deviations in the hull panels can occur as the polymer shrinks during the cooling process. Although every effort is made to minimise deviations, some level of deviation must be expected. This does not effect the strength or performance of the boat.

1) Delivery

The Manufacturer will make available the Boat, plus any extras to the Purchaser at the manufacturer's premises, as noted on page 3 of this agreement or so soon thereafter as is reasonably possible, at which time, the Purchaser will immediately take and accept Delivery of the Boat.

2) Liability

suffered by that person, insofar as that consequential damage or loss exceeds 1% of the Total Price.

3) Passing of Title

Risk, Title, ownership, possession and the right to possession of the Boat shall only pass to the Purchaser:

- 1) In the case of a cash purchase, when the Purchaser has:

- 2) In the case of a purchase on Hire Purchase terms, when the Purchaser has:

 - b) Made payment to the Manufacturer in full.

4) Consumer Guarantees Act

Nothing in this Agreement shall limit the Purchaser's rights under the Consumer Guarantees Act ("Act"). If any provision of this Agreement is inconsistent with the Act's provisions, then to the extent of that inconsistency only, the Act shall prevail. Otherwise, the terms of this Agreement shall determine all rights and duties of the parties in respect of this Agreement.

5) Warranty

In addition to any rights available to the Purchaser under the Act, upon the passing of title in the Boat from the Manufacturer to the Purchaser under this Agreement, the Purchaser shall be entitled to any standard manufacturer's warranty on the Chattels (subject to the terms of that warranty) to which the Manufacturer would otherwise be entitled. The Boat must be stored with the hull resting on a supplied trailer or other set-up with equivalent size runners under the bottom hull surface, as per original FatCat 4000 trailer specification. The Boat must at all times be used within the limits of what can reasonably be expected of a 4 meter boat.

6) Deposit, Cancellation, Settlement

- 1) If the Purchaser fails to pay the deposit by the deposit date, the Manufacturer may, at the Manufacturer's absolute discretion, and at any stage after the deposit date, cancel this agreement.
